Article Numbers: 168326, 167329

Safety Instructions:

- Choking hazard due to small parts if improperly purchased or handled by children. Magnets are not suitable for playing with and must not be swallowed. Danger for children under 3 years of age.
- Risk of electric shock and injury due to improper use of the magnets. Magnets can generate strong forces and damage surfaces. Do not use in the vicinity of electronic devices or digestive organs.
- Silicone coating improves adhesion, take care when removing so as not to damage surfaces.
- Suitable for children aged 6 and over. Use under adult supervision recommended.
- Magnets must not be used together with other magnetic products in order to avoid interference.
