Safety Instructions:

- Ensure that the wall stand is correctly attached to the wall and mounted on a stable, suitable wall to prevent it from falling over.
- The wall stand is only suitable for bicycles; other loads can be dangerous.
- Children should not pull or shake the wall stand to avoid injury.
- Regularly check the stability and fastenings to prevent damage.
- Use suitable screws for fastening that can bear the weight of the bikes.
- Check the load-bearing capacity of the wall before installation to ensure that the bikes can be parked safely.
- Keep the wall stand and the surrounding area free of obstacles to avoid accidents.
