Safety Instructions:

- The board should be securely fastened and mounted in a safe and stable location to prevent it from tipping over.
- Only use chalk that is suitable for use on chalkboards.
- The surface of the board should be checked regularly for damage to avoid the risk of injury from sharp edges.
- Keep children away from sharp objects and the board while it is in use.
- Avoid using the board outdoors in wet conditions or near heat sources or damp areas to prevent damage to the wooden frame.
- Smaller parts of the board could pose a choking hazard, therefore use under adult supervision is recommended.
