Article Numbers: 193829, 193828

Safety Instructions:

- The product could fall over due to improper use and cause injury. Please ensure that the post is stable and is regularly checked for safety. For safe use, the barrier post must be secured against falling over. Make sure that the base plate is mounted correctly to ensure stability.
- Not suitable for applications where collisions could occur. Use of the product in areas with high traffic volumes is not recommended. Keep the barrier post away from areas with high pedestrian traffic to avoid collisions.
- Please avoid overloading the belt strap beyond the maximum belt extension length of 2300 mm.
- The product is not suitable for use in extreme weather conditions.
