Article Numbers: 659352, 659351, 659350, 659349

Safety Instructions:

- Make sure that the chair is placed on a stable, level surface to prevent it from tipping over.
- The maximum load capacity of 120 kg must not be exceeded in order to avoid structural damage and safety risks.
- Avoid sitting on the armrests or backrest to prevent injuries.
- Ensure that the protective caps on the feet of the chair are undamaged to protect the floor and prevent slipping and injury during handling.
- Keep the armchair away from naked flames and sources of ignition, as the upholstery and polyester cover may be flammable.
- Not suitable for children; improper use can cause injury, use only under adult supervision.
- Avoid getting wet to prevent damage to the material.
- Ensure that all installation instructions are followed to avoid unstable constructions.
- Avoid contact with sharp objects to prevent damage to the cover.
