Article Numbers: 659318, 659312

Safety Instructions:

- Do not use the headset while driving or during other activities that require your full attention, unless it is safe and permitted.
- Only charge the headset with the latest charger recommended by the manufacturer.
- Ensure that the headset is fully charged before use.
- Avoid using the headset in extremely hot or cold environments (below 0 °C or above 40 °C).
- Keep the headset away from water and other liquids.
- Check the headset regularly for visible damage or wear.
- Do not use the headset if you feel any signs of discomfort or pain.
- Keep the operating instructions and safety information for future reference.
- Make sure that the USB charging port is protected from moisture to avoid short circuits.
- Keep the headset away from flammable materials.
- Avoid excessive noise when using the headset to prevent hearing damage.
- Keep the headset out of the reach of children.
