Safety Instructions:

- Use only for the intended purpose.
- Ensure that the headset is fully charged before use.
- Pull out the mains plug whenever there is an electrical fault.
- Do not set the volume above a safe level to avoid hearing damage.
- Avoid using the headset in close proximity to water or in a damp environment.
- Do not use the product if it is visibly damaged and contact the manufacturer's support.
- Do not disassemble or modify the headset.
- Keep out of the reach of children to avoid the risk of injury.
- Do not use the headset while driving or in situations that require your full attention.
- Store the headset in a safe place to prevent damage.
- Keep the product away from water and other liquids to avoid electrical damage.
- Avoid using the headset in extreme temperature conditions or high humidity.
- The product is not suitable for children. Keep it out of their reach.
- If the charging cable is lost or damaged, only use compatible cables and accessories.
- Carry out regular software updates to ensure security and performance.
