Article Numbers: 659321, 659317

Safety Instructions:

- Make sure you use the headset at an appropriate volume and keep your ears away from direct noise to avoid hearing damage.
- Check the connection to your device regularly to prevent interruptions during use.
- Avoid using the headset while driving or in dangerous situations where you are not sufficiently aware of your surroundings.
- Ensure that the headset is checked regularly for damage or wear and tear to ensure safe use.
- For safety reasons, do not leave your device near water or other liquids and do not use it in damp places to avoid short circuits or electrical hazards.
- Avoid use in extreme temperatures or excessive humidity.
- Only use the charger supplied to ensure a safe charging environment.
- Ensure that the product is not used by children without supervision, as small parts and cables can pose a risk.
