Article Numbers: 658777, 658775, 658774, 658773

Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed.
- Ensure that the lock is used correctly to prevent the documents from accidentally falling out.
- The product must be protected from extreme temperatures, excessive heat and direct sunlight in order to avoid material changes.
- Do not store near sources of fire or extreme temperatures as this may cause material deformation.
- Maintain the box regularly to prevent damage and wear.
- Keep the storage box away from children to avoid the risk of choking on small parts.
- Avoid contact with water, as the storage box is not waterproof.
- When transporting documents, ensure that the storage box is not overloaded to avoid damage.
