Safety Instructions:

- Follow the installation instructions to reduce the risk of falling or injury when attaching and dropping the board.
- Use suitable writing utensils to avoid health risks and damage to the board surface.
- Keep small parts and assembly materials out of the reach of children to avoid the risk of suffocation. The board is not suitable for children under 3 years of age.
- Check the panel regularly for stability and surface integrity to avoid safety risks.
- Caution: The surface of the chalkboard can become hot in strong sunlight.
- Take care when coming into contact with sharp objects to avoid scratching the board surface and causing injury.
- Strictly follow the installation instructions to avoid installing the panel upside down.
