Safety Instructions:

- Observe the maximum load capacity of 7 kg.
- Avoid improper use to prevent falls and damage.
- Ensure that the bracket is properly mounted on a stable workstation.
- Keep the holder and displays out of the reach of children.
- Only use the mount for the intended VESA 75/100 displays.
- Pay attention to the ESD certification and use the holder in ESD-protected areas.
- Follow the installation and operating instructions carefully.
