Safety Instructions:

- The product is not suitable for children under 3 years of age, as small parts can be swallowed, posing a choking hazard.
- Before use, ensure that the product is securely and stably mounted to prevent injury or falling.
- Installation should be carried out in accordance with the enclosed instructions and ensure that the mounting accessories are correctly attached to avoid the risk of falling and injury.
- Use dry-erase markers in accordance with the instructions to prevent damage to the board surface.
- Only use the recommended cleaning agents for cleaning so as not to damage the board surface.
- Have dry fire extinguishers nearby so that you can react quickly in the event of a fire due to the markings used.
- Make sure that children do not play with small parts to avoid the risk of choking.
- Avoid water coming into contact with the electrical equipment to prevent the risk of electric shock.
- Keep the board away from heat sources and direct sunlight to avoid discolouration and material damage.
- Avoid using sharp objects on the board surface to prevent scratches.
