Safety Instructions:

- Choking hazard due to small parts - The waste bin contains parts that could be dangerous for small children, especially those under 3 years of age. Not suitable for children under 3 years of age.
- Caution with improper handling - Improper use of the foot pedal and abrupt lid movements can lead to injuries. Operate the foot pedal slowly and evenly.
- Observe maintenance instructions - Regular maintenance of the soft-close mechanism is necessary to ensure proper operation.
- Suitable for indoor use - For indoor use only; not suitable for outdoor use.
- Do not overfill the waste bin to prevent it from tipping over and empty the inner bins regularly to avoid overfilling and the associated risk of injury.
- Regular cleaning to avoid hygiene risks.
- Caution: Keep hands away from the hinges to avoid injury. To avoid the risk of crushing, ensure that the pedal mechanism is working properly.
- Do not improperly modify or disassemble the product to ensure that the safety functions are maintained.
- Keep children away from the product to minimise the risk of injury or crushing.
