Safety Instructions:

- Do not get on skin or in eyes; in case of contact with skin or eyes, rinse thoroughly with water.
- Seek medical advice immediately in the event of health problems or accidents.
- Properly dispose of waste toner containers and empty toner cartridges in accordance with local disposal regulations.
- Do not mix with other materials to avoid accidents.
- Use only in compatible Kyocera printers to avoid leakage or damage.
- Keep toner and toner cartridges away from children as they contain small parts and are not suitable for children under 3 years of age.
- Use only in well ventilated areas to avoid toner dust accumulation.
- Ensure that the product is used in accordance with the manufacturer's instructions to avoid overheating or fire hazard.
