E-Mail: sales@ingrammicro.de

Please note the technical data of the products!

Article Number: 659801

Safety Instructions:

- Ensure that the printer is used in a well-ventilated area to minimise the build-up of ozone and other possible emissions.
- Avoid contact with electrical components to reduce the risk of electric shock.
- Keep the printer away from water and other liquids to avoid electrical hazards.
- The printer should only be used by trained personnel to prevent improper operation.
- Ensure that the appliance is positioned out of the reach of children to avoid injury.
- Follow the instructions for the safe handling of toner cartridges, as they can cause skin or respiratory tract irritation if handled incorrectly.
- Electronic waste should be disposed of in accordance with local regulations.
