Safety Instructions:

- Set up securely to prevent tipping over.
- Only use the perforated plate to securely fasten suitable tools.
- Ensure sufficient stability and load-bearing capacity of the workbench.
- Do not load beyond the specified dimensions.
- Observe the recommended safety instructions and installation instructions.
- Before use, ensure that the attachment frame is stable and correctly mounted.
- Avoid overloading the top frame to prevent instability.
- Wear protective clothing to avoid injury from sharp-edged parts of the steel sheet.
- Keep the top frame away from heat sources to prevent damage to the powder coating.
- Avoid contact with chemical substances that could attack the surface of the attachment frame.
