Safety Instructions:

- Use in accordance with the safety and operating instructions.
- Always wear suitable protective equipment, such as protective gloves, when working on the workbench to avoid injury.
- The maximum load capacity of the drawers and the shelf is 75 kg. Take care not to exceed this load capacity.
- Always keep the work surface and surroundings tidy and free of obstacles to avoid tripping hazards.
- Avoid lifting heavy objects without assistance to prevent injury.
- Ensure that the height of the workbench is adjusted safely to prevent injuries.
- Avoid products with sharp edges or take appropriate protective measures during installation.
- The product is not a toy and should be kept away from children. Please note that the workbench is intended for commercial use only.
- The furniture should be placed on a stable, level surface to ensure safety and stability and to prevent it from tipping over.
