## Safety Instructions:

- Ensure that the sofa is placed on a stable and level surface to prevent it from tipping over.
- Avoid overloading the sofa beyond the maximum load capacity to prevent structural damage.
- The sofa must not be placed near open flames or heat sources, as the foam is flame-retardant but still poses a fire risk.
- Keep sharp or pointed objects away from the upholstery to prevent damage.
- Regular cleaning and care of the fabric covers in accordance with the care instructions is necessary to prolong the life of the sofa.
- Children should not play on the armrests or backrests to avoid injury.
- The sofa is not suitable for children under 3 years of age, as small parts pose a choking risk.
- Ensure that the sofa is correctly assembled to prevent it from tipping over.
- Ensure that the armrests, base structure and all accessories are checked regularly to ensure stability and safety.
- Regular inspections for wear or damage to the upholstery and substructure are necessary to ensure safety.
- Only use the sofa indoors.
