Safety Instructions:

- Beware of the risk of inhaling paper shreds when cutting or tearing the roll.
- Do not use heat sources near the thermal roller to avoid the risk of fire.
- The thermal roll should be protected from moisture to ensure print quality.
- Please do not allow any other materials to come into contact with the thermal roller to prevent contamination.
- BPA-free, safe to use.
- No risk due to improper use.
- Include safety warnings and instructions for use.
- Implement corrective measures immediately if risks are identified.
- Observe product labelling with manufacturer information.
- Only use in printers intended for this purpose.
- Keep away from children and vulnerable persons to avoid possible hazards.
- Ensure that the product is stored properly to maintain quality.
- Carry out recycling and disposal in accordance with local regulations.
