Safety Instructions:

- For the safe use of the product, the operating instructions and safety instructions must be carefully observed.
- The load capacity of the chair is up to 250 kg; do not exceed this weight.
- Make sure that the chair is used on a stable surface to prevent it from tipping over.
- The surface is resistant to disinfectants, but the disinfectant should be tested on a non-visible area before use.
- Make sure that all adjustment mechanisms (e.g. height adjustment) are working properly before using the chair.
- Keep children away from the chair to avoid danger as the design is not child-friendly.
