Safety Instructions:

- Small parts that may pose a choking hazard. Not suitable for children under 3 years of age.
- Read the instructions for use carefully. Misuse can lead to injury.
- Do not use near open flames or other heat sources as it is not fireproof.
- Please ensure that the surface is clean and dry before application to ensure optimum adhesion.
- Use is restricted to temperatures between -30°C and +70°C. Avoid extreme temperatures outside this range.
- Suitable for indoor and outdoor use, but use with caution in extreme weather conditions.
- The product should not be used as a toy by children as it may present a risk of injury and other safety hazards.
- Take care when cutting with a sharp cutter knife to avoid injury.
- Avoid contact with water as the product is not waterproof.
- Instructions for safe use and installation must be observed.
