Safety Instructions:

- May cause injury if handled incorrectly.
- Avoid use on slippery, wet or uneven surfaces.
- Do not use near naked flames or heat-generating appliances.
- Ensure that the surface is clean and dry to ensure adhesion.
- Not suitable for children under 3 years of age; small parts could be swallowed.
- Contact your dealer in the event of damage or irregularities in the application.
- The product is not suitable for use by children.
- Avoid contact with sharp cutting tools during cutting.
- Application temperature range: -30 °C to +70 °C.
- The product is not break-proof; check regularly for wear or damage and replace if necessary.
- Observe the fire test according to DIN EN 13501-1 class E; do not use in areas with open flames.
