Article Number: 660318

Safety Instructions:

- Ensure that the anti-slip tape is applied to clean, dry surfaces.
- Avoid contact with water during the first 24 hours after application to ensure optimum adhesion.
- Check the condition of the anti-slip tape regularly and replace it if it shows signs of wear.
- Make sure that there is no dirt or other deposits on the surface to ensure slip resistance.
- Additional fastening may be recommended for areas subject to heavy wear.
