Article Numbers: 660297, 660296, 660295, 660294

Safety Instructions:

- Not suitable for direct human contact; keep out of reach of children.
- During installation, ensure that the film is not damaged, does not stretch or crease unnecessarily and that the information remains clearly legible.
- In extreme weather conditions, check the material regularly for damage.
- The film is not fire-resistant; keep away from naked flames.
- Keep the protective film out of direct sunlight to prevent discolouration and material wear.
- Delivery and storage should be dry to avoid moisture damage.
- Not suitable for children under 3 years, choking hazard due to small parts.
- Do not use in a damp or wet condition to ensure safety.
- Take care when handling the film to avoid static discharge.
- Remove the film carefully to avoid tearing or damage.
