Safety Instructions:

- Ensure that the information stand is stable to prevent falls. When using products with sand, set them up for additional stability.
- Risk of strangulation from the telescopic pole if used incorrectly.
- Small parts can fall off if handled incorrectly and pose a choking hazard.
- Only use the product on a level surface to prevent it from wobbling or tipping over.
- Take particular care when adjusting the height to avoid injuring your fingers.
- Avoid direct sunlight to prevent discolouration caused by UV rays.
- Do not use in the vicinity of children to avoid the risk of products falling over.
- Only use the product for its intended purpose to prevent injury.
- The materials used do not contain any hazardous substances that could jeopardise health.
- Protect the product from moisture to prevent material deterioration.
