Article Number: 660569

Safety Instructions:

- Please note that the waste bin should not be exposed to direct sunlight for long periods of time in order to avoid discolouration of the material.
- Avoid overloading the container above the specified capacity of 167 litres to prevent injuries when lifting and emptying.
- When emptying the container, ensure that it is positioned securely to prevent it from tipping over.
- The container is not intended for use in food processing areas. Contamination by waste must be avoided.
- When using chemical cleaning agents, keep the container away from direct contact areas and follow local regulations on waste sorting.
