Safety Instructions:

- Do not load the product above the maximum load capacity of 30 kg.
- Do not place in the oven or microwave.
- Protect from direct sunlight to avoid deformation.
- Only use the box in the freezer or refrigerator area within the permitted temperature range (-20 to +100 degrees Celsius).
- The box may be exposed to sharp edges or pointed objects. Make sure that these are not stored inside the box.
- Clean and dry the box thoroughly after use to prolong its service life.
