**Manufacturer/Responsible Person:** UFP Deutschland GmbH, Carl-Friedrich-Gauß-Str. 11, 47475 Kamp-Lintfort, Deutschland  
**E-Mail:** info@ufp.de

Please note the technical data of the products!

**Article Numbers:** 660609, 660608, 660607, 660604

### Safety Instructions:

- Not suitable for children under 3 years, as small parts or small pieces may be included.
- Improper handling may damage the product, resulting in a risk of toner powder leakage or damage to the printer or unwanted printouts.
- Avoid direct contact with the skin or eyes and wash your hands thoroughly after handling the toner.
- Keep the toner away from naked flames or high temperatures to minimise the risk of fire. Do not throw it into a fire as the cartridge may explode.
- Before disposal, have the toner disposed of by a specialist or dispose of it in accordance with local regulations. Dispose of empty toner cartridges in accordance with local waste disposal regulations.
- Store the toner cartridge out of the reach of children.
- Only use the toner in the recommended Brother printer models.
- Keep packaging in a safe place. Do not use as a toy. Toner cartridge packaging may have sharp edges - take care when opening. Plastic packaging can be a choking hazard for small children and infants - keep away from children.
- Contents may irritate eyes and skin - In case of contact, rinse immediately with plenty of water and seek medical advice.
