Safety Instructions:

- Security level P-7: Highest prevention against the recovery of confidential documents.
- Electronic door lock provides protection during operation.
- Patented safety flap prevents unwanted access to the knives.
- Automatic reverse function with automatic switch-off protects against paper jams and injuries.
- Automatic switch-off when the collection container is full reduces the risk of overfilling.
- Zero Energy Standby mode reduces power consumption and safety risks.
- Light barrier for automatic start/stop prevents unintentional start-up.
- Use only in closed rooms in accordance with the manufacturer's instructions.
- Keep out of the reach of children.
