Safety Instructions:

- Ensure the stability of the partition when used on table tops up to 7.5 cm.
- Observe the electrical safety of the LED lighting and avoid exposure to water or moisture.
- Partition wall is flame-retardant in accordance with DIN 4102 (B1); keep flammable materials away and avoid direct contact with heat sources.
- The clamping feet are expected to provide a strong hold to prevent tripping hazards.
- Observe the relevant properties of the acoustic fleece for allergy sufferers and provide corresponding safety instructions.
- Choking hazard due to small parts if handled incorrectly.
- Handle electrical components with care to minimise the risk of electric shock.
- Partition wall provides privacy, should not be used as a toy.
- Set up out of the reach of children to avoid the risk of injury from improper use.
