Safety Instructions:

- Ensure that the colour laser printer is not operated near water sources to avoid the risk of electric shock.
- Only use the toner and consumables recommended by the manufacturer to ensure reliable operation.
- Keep the printer away from small children, as parts of the device could pose a choking hazard.
- Ensure that the printer is placed on a stable, level surface to prevent it from tipping over.
- Read the user manual carefully to ensure that you follow all safety precautions and operating instructions.
