Article Number: 660583

Safety Instructions:

- Ensure that the printer is not used near water sources to avoid the risk of electric shock.
- Always disconnect the power plug before cleaning the printer to avoid the risk of electric shock.
- To reduce the risk of electrical interference, do not use the printer with damaged cables or accessories.
- Handle the printer cartridges in accordance with the manufacturer's instructions to avoid injury or damage.
- Store the printer safely in an area that is inaccessible to children, as small parts and electrical components can pose a risk of suffocation or injury.
