Please note the technical data of the products!

Article Numbers: 660566, 660565, 660564

Safety Instructions:

- Not intended for use in areas where food is processed.
- Avoid overfilling the container to prevent injury, spillage of waste and messy deposits.
- Keep the container away from extreme temperatures and direct sunlight sources to avoid discolouration or damage. Use at temperatures above 70°C can damage the material.
- Clean regularly to ensure hygiene and safety.
- To comply with environmental regulations, the container should be made of recycled material in accordance with EPA requirements.
- Remove excess material to avoid injury.
- Keep the container stable during use to prevent it from tipping over.
- The container should be suitable for the intended use in order to minimise safety risks.
- Sufficient information on disposal and use is provided to ensure safe use.
- To ensure health and safety, do not use the container for hazardous materials.
- Check regularly for damage or wear to ensure safety during use.
- Not suitable for use by children under 3 years of age as it may contain small parts.
- Only use the container for the intended purpose of waste disposal.
- If the container is damaged, e.g. by knocks or falls, discontinue use.
- Please note that improper use can lead to injuries.
