Safety Instructions:

- The table is not resistant to disinfectants; therefore, do not use aggressive cleaning agents and use suitable agents.
- Make sure that the table is set up on a stable and level surface to prevent it from tipping or falling over.
- Check regularly that all screws and parts are tight to ensure stability.
- Keep children away from using the table without adult supervision to avoid injury.
- Only use the table in accordance with the stated specifications and dimensions to avoid overloading.
- Make sure that the folding mechanism works properly and that the table is securely locked in place before using it.
- Assembly should only be carried out in accordance with the enclosed instructions to ensure that the structure remains intact.
- Keep the table away from direct sunlight and moisture to prevent material damage.
- Clean the surface regularly with mild cleaning agents and avoid harsh or abrasive agents to prevent scratches.
- Do not place any heavy or sharp objects directly on the tabletop.
- The table is not suitable for outdoor use to prevent weather-related damage.
- The table is not suitable for children under 3 years of age as it may contain small parts.
- Avoid standing or sitting on the tabletop to prevent injuries from falling.
- Regularly check and adjust the floor levelling screws to ensure stability.
- Do not use near open flames or heat sources to avoid fire damage.
- Only use the table in well-ventilated rooms.
