Safety Instructions:

- Product is not resistant to disinfectants; avoid aggressive cleaning agents.
- Ensure that the table is set up on a stable and level surface to prevent it from tipping over.
- Only suitable for indoor use - protect from moisture, water and sunlight.
- Not suitable for children under 3 years; choking hazard due to small parts.
- When folding the table, ensure that no body parts are trapped.
- Take care with sharp or hot objects to prevent damage.
- Observe the maximum load to ensure stability.
- Check the floor levelling screws regularly to ensure stability.
- Follow the instructions carefully for installation and use.
- Children should be supervised when using the table.
- Regular checking of the stability of the table is recommended.
