Safety Instructions:

- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Batteries must not be thrown into fire or water as there is a risk of explosion and leakage.
- Batteries are not rechargeable, so careful handling is required.
- Dispose of batteries in accordance with local regulations, as they can be harmful to the environment.
- Do not look into the eyes, as this can lead to injuries.
- Do not attempt to open or deform the batteries.
- In the event of contact with battery leaks, rinse thoroughly with water immediately and consult a doctor.
- Keep out of reach of children as there is a choking hazard due to small parts.
