Safety Instructions:

- Set up the partition wall stably to prevent it from tipping over.
- Do not use in areas with direct heat or moisture.
- Check the Velcro connection regularly for proper functioning.
- During assembly, ensure correct use of the castors and suitable tools to avoid injury.
- Product is not suitable for children; keep out of reach of children.
- All parts should remain intact to avoid the risk of injury.
- Remove any sharp edges or parts that could cause injury.
- Install according to instructions to ensure safety.
- Only use the product on level surfaces to prevent it from tipping over.
- Regular inspections to ensure that the product is in perfect condition.
- Do not use in environments with excessive moisture or extreme temperatures.
- Risk of suffocation and falling due to improper use or unsafe installation.
