Safety Instructions:

- Set up the partition wall stably and place it on a level surface to prevent it from toppling over.
- Avoid excessive loading with heavy objects.
- Ensure that the hook and loop fasteners are securely attached to prevent failure.
- Use only for its intended purpose to avoid injury.
- Carry out installation in accordance with the enclosed instructions to rule out safety risks.
- Keep children away to reduce the risk of accidents and keep small parts out of reach to avoid the risk of suffocation.
- Check the base regularly for stability, especially on uneven ground.
- In the event of stability problems, take immediate action and stop using the product.
- Avoid contact with water or other liquids to prevent damage and electrical hazards.
- Only install with recommended tools and carefully to avoid injury or damage.
- Watch out for fingers when adjusting to prevent pinching.
- Avoid direct sunlight to prevent material discolouration.
- Product not suitable for children under 3 years due to small parts that can be swallowed.
- Regular checks of stability and safety in the event of changes in room utilisation.
- Avoid sharp objects to prevent surface damage.
