Safety Instructions:

- Do not cover the LED lighting or use it improperly to avoid overheating or the risk of fire. Risk of electric shock due to improper use of the LED light.
- Protect from direct sunlight and moisture to prevent material damage.
- Ensure that the screen is stable and placed on a stable and level surface to prevent it from tipping over.
- Avoid contact with sharp objects to prevent damage to the acoustic fleece.
- The partition wall is designed for indoor use, do not use outdoors.
- Installation should be carried out in accordance with the enclosed instructions and ensure that no persons are standing under the wall during installation to ensure safe use.
- The partition wall is flame-retardant (DIN 4102, B1); however, open flames and intense heat sources should be kept away.
- Caution: Not suitable for children under 3 years of age as it may contain small parts.
