Safety Instructions:

- Caution: There is a risk of injury from staples or nails if used incorrectly.
- The rubber-coated tip protects the working material from damage; however, care must be taken to guide the tool safely.
- Do not use near water or in a damp environment to avoid the risk of electric shock.
- Keep the stapler away from children when in use as parts can be swallowed or cause injury.
- Wear safety goggles and hearing protection to protect your eyes and ears.
- Ensure that the battery is stored safely to avoid short circuits.
