Safety Instructions:

- Ergonomically adjustable wrist rest to promote a healthy hand posture.
- Observe the maximum comfort height of 22 mm to avoid wrist pain.
- The wrist rest is not designed for use by children, use it for adults only.
- Regular cleaning of the wipeable material is recommended to ensure hygiene and longevity.
- If used incorrectly, the support can put strain on the wrists.
- The product has been tested and recommended by the German Institute for Health and Ergonomics (IGR).
- Keep the settings out of the reach of children to avoid injury.
