Safety Instructions:

- Small parts can be swallowed. Keep all small parts away from children, especially children under 3 years of age.
- Use a secure and undamaged elastic band to prevent injuries and accidental opening.
- The product should not be stored near heat sources, water or direct sunlight to avoid damage or colour changes.
- Keep the product out of the reach of children as long as it is not used under supervision.
- The product contains no hazardous or harmful chemical additives and is suitable for the normal use of A4 documents.
- The corner clamping folder must not be used for playing or overloaded in order to avoid material failure and injury.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Check for sharp edges, damage or soiling before use and do not use if damaged.
- Dispose of leftover packaging immediately to avoid the risk of suffocation from plastic parts.
- Include safety information in clear, understandable language.
- Ensure sustainable disposal of the product in accordance with local regulations.
- The pre-printed lid enables clear labelling to avoid misunderstandings during use.
