Safety Instructions:

- Observe the maximum load of 15 kg to avoid overloading and structural damage.
- Ensure safer use and handling of the product, especially when adjusting the height, to avoid the risk of crushing.
- When using the stand, ensure that it is secure and stable and that all parts are correctly engaged to prevent it from tipping over.
- Dispose of all packaging materials safely and out of the reach of children to avoid the risk of suffocation.
- For correct disposal of the product at the end of its service life, observe the local regulations for recyclable materials.
- Keep out of the reach of children to avoid the risk of choking on small parts.
