Safety Instructions:

- Follow the safety instructions to prevent injuries when assembling the locker.
- Comply with safety regulations for the use of lockable lockers.
- Ensure correct fastening and stability of the locker to prevent it from tipping over.
- Do not overload the locker to avoid damage and instability.
- When installing, take care to avoid sharp edges on the quality sheet metal to prevent injuries.
- Regularly check the cylinder lock for proper functioning.
- Do not block ventilation slots to prevent mould growth.
