Article Numbers: 660874, 660872

Safety Instructions:

- Beware of choking hazard with small parts or improper use in the vicinity of children.
- The LED light sources and other components are not replaceable. Avoid tampering with and dismantling the light.
- Ensure that the light is standing on a stable surface to prevent it from tipping over.
- To avoid the risk of electric shock, do not use the light in water or damp conditions. There is also a risk of electric shock in the event of improper handling or a damaged cable.
- Disconnect the light from the power supply before cleaning.
- The light is designed for indoor use and is not suitable for outdoor use.
- Do not place directly near flammable materials.
