Safety Instructions:

- Using a laptop on an unadjustable stand can lead to ergonomic problems.
- Ensure that the stand is placed on a stable and secure base to prevent it from falling over or slipping and that the base is stable and level to prevent the laptop from tipping over.
- Avoid contact with water and other liquids, as the product is not suitable for use in damp or wet environments.
- The product is not suitable for children and should be kept out of their reach to prevent injury from tipping over or crushing.
- Regularly check the stability of the stand and ensure that all parts are fully and correctly assembled.
- Follow the height adjustment instructions for safe use of the product.
- Only use the stand with laptops that do not exceed the maximum weight of 5 kg.
