Please note the technical data of the products!

Article Number: 660852

Safety Instructions:

- Batteries must be kept out of the reach of small children and away from toys.
- Be careful when handling batteries improperly, especially if they are damaged or not removed properly.
- Do not short-circuit the batteries as this can lead to overheating or explosion.
- Batteries must not be thrown into a fire or heated, as they may explode.
- The discharged batteries must be disposed of correctly in accordance with local regulations.
