Safety Instructions:

- Ensure that the laser printer is only used in dry rooms.
- Avoid contact with the hot printer unit to prevent burns.
- Keep the printer away from water and damp environments to avoid electric shocks.
- Only use Brother approved toners to ensure optimum performance and prevent damage.
- Ensure that the printer is securely placed on a stable surface to prevent crashes and damage.
- Handle the printer carefully during transport to avoid damage.
- Adults should monitor the appliance when children are in the vicinity to prevent accidents.
