Safety Instructions:

- Avoid contact with water or other liquids to prevent electric shocks.
- Use only recommended toner cartridges to minimise the risk of overheating.
- Ensure that the printer is placed on a stable, level surface to prevent it from tipping over.
- Keep the power cable away from hot surfaces to prevent damage.
- Only use the device in accordance with the instructions in the user manual.
- Ensure that the printer is connected to an earthed socket to minimise electrical risks.
- Dispose of consumables such as toner cartridges in accordance with local waste disposal regulations.
