Safety Instructions:

- The footrest should be used on a stable and level surface to prevent it from tipping over.
- Take care when using small parts; not suitable for children under 3 years of age.
- The product packaging contains important instructions for safe use; these should always be followed.
- Ensure that the footrest is properly fitted and secured before using it.
- Do not leave the footrest in water or use it in a very damp environment.
- When using small parts, ensure that they cannot be used as toys by small children.
